

Representative Council of Learners

Overview

We believe that we are only as strong as we are united and as weak as we are divided. The RCL is a body for the students by the students. We aim to bridge the gap between students, educators and parents and create a comfortable learning environment. We can achieve harmony by gaining the trust and support of our fellows.

Not only are we the voice of the student body, we also strive to enhance school spirit and spark awareness among our peers.

The RCL has three portfolio committees:

- Sports Committee
- Social Awareness
- Environmental Awareness

The roles of each committee

- **Sports Committee**

Ridge Park College offers an array of sporting codes and a competitive, yet fun, Swimming Gala and Sports Day that many enthusiastic and passionate sportswomen participate in.

We aim to showcase our school's star athletes and invincible teams who make us proud as well as keep you up to date with our school's triumphs on the sports field.

- **Social Awareness**

Information is power and we believe in exposing the harsh realities in our society and rousing conversation amongst our peers in order to stimulate change.

We also aim to enlighten our fellows about public holidays and other various significant days with the hope of paying tribute to them.

- **Environmental Awareness**

Ridge Park College supports the sustainability and conservation of our environment and it is critical that our student body adopts these beliefs.

We aim to inspire students to be conscious of the consequences that our actions have on this beautiful planet Earth, we call home.

We encourage students to partake in recycling and refraining from littering in order to decrease our carbon footprints.
