

Ridge Park College

Message from the Principal

Dear Parents and Guardians,

We have come to the end of another busy and fulfilling term! It has been a vibrant one, filled with numerous activities and achievements by both our learners and educators. Highlights include our Women's Day Function, Blood Drive, IsiZulu Evening, Exam De-Stress events, Heritage Day Dress-Up, Trashion Show, Olympiads, and various quizzes, among many others.

Our Matric Class of 2025 has just completed their Preparatory Examinations, which provide a clear indication of their readiness for the final NSC exams commencing on **21 October 2025**. Reports will be issued early in Term 4. Learners are encouraged to reflect on their results, identify areas for improvement, and remain focused. Ladies, remember — the final stretch is about giving your absolute best. Every hour invested in study brings you closer to the future you envision. The finish line is in sight, and we believe in you!

Grades 8 to 11 have also completed their Term3 controlled tests and will receive their reports at the start of Term 4. This is an important time for self-reflection and preparation, as they have only three weeks before the start of their final examinations. Consistent effort and commitment will ensure success. Of growing concern is the **high rate of absenteeism** as exams approach. Please note that normal lessons continued after tests, and important content is covered that will not be repeated in Term 4. We appeal to parents to avoid allowing unnecessary absences. Leave will only be granted if **parents personally fetch their daughters**. For safety reasons, learners will not be released to drivers or family members, even with written permission. While we understand that genuine emergencies arise, we ask that medical and other appointments be scheduled after school hours whenever possible. These measures are in place to safeguard our learners' well-being, and we appreciate your cooperation.

We kindly request your support in reinforcing with your daughters

the importance of appropriate conduct outside of school. We have received a few concerns from members of the public regarding learner behaviour on public transport and while waiting to be collected. Please remind our learners that their behaviour reflects not only on themselves but also on the reputation of the school. Together, we can guide them to become respectful, socially responsible young women and future leaders.

As we head into the break, please encourage your daughters to relax and recharge — but also to spend time reading rather than engaging excessively with social media or gaming. Reading stimulates imagination, builds vocabulary, sharpens thinking, and provides knowledge that no screen can replace. Let's help our girls choose **growth over distraction** and **wisdom over noise**.

To our parents and guardians, thank you for your ongoing support in your daughters' educational journey. Should you have any concerns, please contact the relevant **Academic or Discipline Head** — their details are available on the D6 Communicator. Kindly follow the proper channels of communication and approach matters calmly and respectfully so that we can work together towards positive solutions.

A heartfelt thank you to our **dedicated educators** for their tireless efforts in creating a nurturing and inspiring learning environment. Your passion and commitment are deeply appreciated. Sincere thanks also go to our **administrative staff** and **general assistants** who work diligently behind the scenes to keep our school running smoothly and beautifully maintained — their contribution does not go unnoticed.

I wish everyone a **safe, peaceful, and enjoyable holiday**. We look forward to welcoming our learners back refreshed and ready for another productive term.

**Term 4 commences on
Monday, 13 October 2025.**

Debating

Ridge Park College proudly participated in the Durban Coastal Debating League. Sahirah Umaparsadh (Grade 9) was selected to represent KwaZulu-Natal on the provincial debating team and went on to be awarded 1st place for Best Speaker in the provincial finals.

We congratulate Sahirah on her exceptional performance and wish her continued success in her debating journey.

ISIZULU EVENING 2025

A Beautiful IsiZulu Evening

A Celebration of Heritage and Unity

What an unforgettable evening of colour, rhythm, and cultural pride! The IsiZulu Evening was a breathtaking showcase of African traditions, so thoughtfully organised and so proudly celebrated. From the vibrant attire to the captivating performances, every element reflected the values of unity, respect, and heritage.

The evening was more than just a feast for the senses, it was a powerful reminder of the importance of honouring and preserving our cultural identity for future generations. The performances by our learners shone with authenticity, passion, and grace, leaving the audience deeply inspired.

We extend our heartfelt gratitude to the dedicated organisers, the educators in the IsiZulu Department, the talented participants, and the supportive community who made this celebration possible. Your hard work and commitment transformed the evening into a truly memorable success.

*Bravo to our learners
for their captivating performances!
A special thank you to the organisers,
performers, and everyone behind the
scenes for making this a night to
remember.*

Ngiyabonga kakhulu!

Gr8 Market Day

Our budding Gr8 entrepreneurs participated in the annual Grad 8 Market Day in August. The learners had the opportunity to experience the practical aspect of EMS, applying the theoretical knowledge they had acquired.

Following several strenuous days of planning and preparation, they were finally able to showcase their tantalising treats, exquisite meals and invigorating beverages.

Market Day week was success with most learners selling their goods out within minutes while others learnt the art of adapting and negotiation skills.

Woman's Day Lunch 2025

A Dazzling Celebration of Women Gatsby Glamour and Heartfelt Giving

On 16 August, the spirit of sisterhood illuminated as our community gathered for an unforgettable Women's Day lunch, united in purpose and celebration. With hearts full of generosity and elegance abounding, this extraordinary event raised an astonishing R8000 for the Highway Hospice, showcasing the remarkable power of women working together for a worthy cause. Stepping into the venue was like entering the Roaring Twenties, as the Great Gatsby theme transformed the space into a glittering haven of vintage opulence. Ladies arrived in breathtaking ensembles, embodying timeless sophistication and exuberance, their radiant smiles matching the sparkle of their gowns. The air was alive with anticipation and joy, setting the perfect stage for an afternoon of inspiration and empowerment.

This event was not simply a luncheon; it was a celebration of women's strength, resilience, and dreams. The programme featured an impressive line-up of guest speakers, each imparting valuable insights and stirring hope:

- ★ Dr Singh shared expert dermatological advice, ensuring everyone left with tips for radiant, healthy skin.
- ★ Miss Reddy captivated the audience with pharmaceutical knowledge, placing special emphasis on the effects of energy drinks and making informed choices.
- ★ Miss Balkissoon offered heartfelt counselling guidance, encouraging holistic wellbeing.
- ★ Pastor Nelson delivered a powerful motivational talk, leaving all inspired to reach for their highest aspirations.

The event sparkled with the remarkable performances of Ridge Park learners. Their creativity and dedication brought a vibrant energy to the afternoon, eliciting applause and admiration from all in attendance. This dazzling affair would not have been possible without the tireless efforts of our organisers, helpers, and support team. Special thanks go to our mistress of ceremony, Mrs. Reddy, whose charisma guided the day seamlessly. Mr. Shukla and Mr. Haripersad provided sterling sound support, while invaluable assistance was rendered by Mrs. Khumalo, Mrs. Naicker, Miss Mohammed, Mr. Govender, Mrs. Sewraj, Miss Seedat, Miss Akram, and Dr Naidoo.

Guests were treated to exclusive pamper sessions courtesy of Pineapple Express, who graciously offered discounted treatments to make every attendee feel truly special. The feast was a triumph, with every dish savoured and enjoyed, adding to the rich tapestry of camaraderie and celebration. We extend our deepest gratitude to those whose generosity made this event possible: Dr Singh, Caraway International Hospitality Institute, Mrs. Marx, Debs Hair and Beauty, Glow and Grace, The House of Beauty, Mr. R Singh, Chippewa Spur, and Penflex. Your support not only enriched the experience but helped fuel our collective mission to make a difference.

As we look back on an afternoon of glamour and goodwill, let us carry forward the inspiration that blossomed within those walls. When women join hands, dream boldly, and uplift one another, there is no limit to what we can achieve. Together, we rise, reaching new heights in pursuit of a brighter, more compassionate world.

Here's to every woman who dares to dream, and to the power of unity that turns dreams into reality! We look forward to seeing you at next year's event, where our shared journey of empowerment, celebration, and inspiration will continue to shine even brighter!

Blood Donation

Grade 10-12 Learners and Staff Unite to Make a Life-Saving Difference

On the 25th of July, our school community came together in an extraordinary show of compassion and responsibility during our annual blood drive. Learners from Grades 10 to 12, alongside dedicated staff members, rolled up their sleeves and donated blood - demonstrating the true spirit of giving and solidarity.

We are proud to share that a total of 85 units of blood were collected during the event. Each unit donated holds the potential to save up to three lives, which means that our collective effort could impact over 250 individuals in need. This achievement goes beyond statistics; it represents hope, second chances, and the invaluable gift of life.

In addition to blood donations, many of our learners and staff members also took the important step of being tested as stem cell donors. By joining the stem cell registry, they have opened the door to supporting patients who are battling life-threatening blood disorders, further extending their commitment to saving lives and making a meaningful difference in our broader community.

Blood donation is not just a medical act; it is a profound gesture of humanity. The simple act of giving blood can be the deciding factor between life and death for someone in crisis - accident victims, patients undergoing surgery, or those fighting chronic illnesses. By participating in the blood drive, our learners and staff have shown compassion, empathy, and a sense of duty that truly sets our school apart. To recognise and appreciate their selfless contributions, the South African National Blood Service (SANBS) rewarded every donor with a stylish 'smart' laptop bag. This thoughtful gesture serves not only as a token of thanks but also as a reminder of the incredible impact each donor has made.

We extend our heartfelt gratitude to all who participated, organised, and supported the blood drive. Your generosity has brought hope and healing to countless lives. Let us continue to inspire one another, champion the cause of blood donation, and uphold the value of giving selflessly for the greater good.

Together, we are truly making a difference - one drop at a time. We look forward to welcoming you to donate at our next blood drive in February. Your participation can continue this legacy of hope and kindness.

Trashion Show 2025

Spectacular Heritage Celebration!

On September 22nd, Ridge Park College hosted its second annual Trashion Show, once again dazzling audiences with a perfect blend of creativity, sustainability, and cultural pride. Organized by the Ridge Park College Planeteers in collaboration with the Commerce Department, this year's event carried a special significance as it embraced the theme of Heritage Day.

The atmosphere was electric as learners and staff gathered to celebrate not only fashion innovation but also South Africa's rich and diverse cultural heritage. The runway, buzzing with excitement, became a vibrant stage where tradition met eco-conscious design.

Our learners, grouped into teams of four, showcased their exceptional talent by transforming recycled and repurposed materials into breathtaking heritage-inspired outfits. From headgear crafted out of zip ties to traditional attire reimaged with newspaper, cardboard, and fabric offcuts, each creation paid homage to the beauty of South Africa's cultural diversity while emphasising the importance of sustainability.

Designs drew inspiration from iconic traditional wear across different cultural groups, yet every piece carried a modern and innovative twist. Each team, comprising one model and three designers, reflected a deep appreciation for heritage while reminding us of the responsibility to care for the environment.

The results were truly remarkable. Audiences were left in awe as the designs highlighted both artistic flair and environmental consciousness, seamlessly weaving together themes of cultural pride, unity, and eco-friendliness.

A heartfelt thank you goes to Mrs. F. Dawood for her dedication and tireless effort in bringing this vision to life. Special appreciation is also extended to the Ridge Park College Planeteers, the Commerce Department, and every learner who participated and supported this unique celebration of fashion, heritage, and sustainability.

As we reflect on this year's resounding success, we look forward with excitement to future Trashion Shows, where creativity continues to meet purpose, and culture and sustainability walk hand in hand down the runway.

Here's to many more celebrations of heritage, innovation, and eco-conscious fashion at Ridge Park College!

TRASHION SHOW 2025

Tradition meets
Eco-Conscious
Designs

Congratulations to Our Young Poets

We are delighted to congratulate the following learners whose poems were selected for publication in the anthology *Inkspired*:

- ⇒ Disanka Dimayaki
- ⇒ Chili Owami
- ⇒ Sahirah Umaparsadh
- ⇒ Zahra Khan
- ⇒ Victoria Chikodo
- ⇒ Amahle Kubheka

These talented learners were not only acknowledged for their outstanding work, but they were also given the remarkable opportunity to present their poems at Eduvos Umhlanga during the official launch of the anthology.

This achievement is a true celebration of their creativity, dedication, and unique voices. We are proud of their accomplishment and look forward to seeing their writing continue to inspire others.

English Olympiad Results

In March this year, 45 learners from Grades 9 to 12 participated in the National English Olympiad which is a joint project of the Grahamstown Foundation and the South African Council for English Education.

The theme for this year was '**Celebration**'.

All 45 entrants completed the full with

17 receiving Participation Certificates, 9 merit certificates, 10 bronze and 7 silver.

Maariyah Barradeen (Grade 11.1) and Ziyanda Jiyane (11.5) received Gold Awards.

Well done ladies!

Entries are now open for the 2026 Olympiad. Learners may contact their English educators for more information.

Creative Art Exhibition Review

Between the 10th and 18th of September, the school gallery was transformed into a vibrant space of imagination and reflection as the Grade 10, 11, and 12 Visual Arts students showcased their work. The young artists brought the classroom to life, inviting peers and teachers to see, question, and experience the world through their eyes.

The exhibition, described by Ms Soriakumar as “a great success,” carried an energy of pride and accomplishment. Every student achieved above 60% for their Term 3 retrospective exhibition mark a testament to their effort and growth.

From striking contemporary and conceptual works to traditional and digital explorations, the collection surprised and challenged many visitors. Some works provoked deep thought, while others delighted the eye with technical skill and creativity. Guests offered heartfelt compliments, thoughtful questions, and even critiques all part of engaging with the art world.

In a society so often swept away by fast-paced media, the exhibition gave the school community a chance to pause and appreciate art in its many forms. More than just an event, it became a highlight of the term and a promise of even greater exhibitions to come.

RIDGE PARK COLLEGE

For Attention: MR R. SINGH
The Deputy Principal

399 Peter Mokabe Ridge
Musgrave, Berea, Durban, 4001

Dear Mr R. Singh

Re:- SANCA DURBAN – GRATITUDE FOR YOUR ATTENDANCE AND CONTRIBUTION
AT THE 69th ANNUAL GENERAL MEETING

On behalf of **SANCA DURBAN**, I would like to extend our deepest gratitude to you for your presence at our 69th Annual General Meeting. It was an honour to have you join us, representing not only Ridge Park College but also as a valued partner in our shared mission to address and prevent substance use disorders in our communities.

We were particularly moved and inspired by your eloquent speech regarding the **I CAN PROJECT** and the meaningful impact it has had within the community. Your words captured the essence of why we do this work, and we are thankful that you lent us the podium to reflect on the progress and shared responsibility we hold.

Your ongoing partnership is vital to the success of our initiatives, and we are proud to have collaborated with someone who shares our vision and commitment to change. We are especially pleased that the work we have undertaken has also made a difference in your school community — that is, in many ways, the most meaningful outcome of all.

You are not just a supporter of SANCA, but a vital partner in the mission we carry forward every day. It is leaders like you who help create the momentum needed for real and lasting change — **one learner, one school, one community at a time.**

As we look ahead, we are excited about the opportunity to continue our legacy of collaboration with Ridge Park College. Together, we can strengthen the foundation we've built and extend our reach even further.

Thank you once again for your support, leadership, and partnership.

Warm Regards,

FATHIMA HUSSAIN (Ms)
Director

Consumer Studies

CONSUMER
STUDIES

A full-body photograph of a young woman, a soccer player, standing on a grass field. She is wearing a pink and purple gradient soccer jersey with a circular logo on the chest. She has her hair in a bun and is smiling. She is holding two large gold trophies, one in each hand. The background shows a green field, a fence, and a building with large windows.

Well Done Ladies - You continue to make RPC proud

The Truth is

There is a silent tragedy unfolding in our homes today, and it concerns our most precious jewels: our children. Our children are in a devastating emotional state!. Over the past 15 years, researchers have gifted us increasingly alarming statistics about an acute and steady increase in childhood mental illness that is now reaching epidemic proportions:

The statistics don't lie:

- 1 in 5 children has mental health problems
- A 43% increase in ADHD has been noticed
- A 37% increase in teenage depression has been noticed
- A 200% increase in the suicide rate in children aged 10 to 14 has been noticed

What is going on and what are we doing wrong?.

Children today are being over-stimulated and over-gifted with material objects, but are deprived of the fundamentals of a healthy childhood, such as:

- Emotionally available parents
- Clearly Defined Boundaries
- Responsibilities
- Balanced nutrition and adequate sleep
- Movement in general but especially outdoors
- Creative play, social interaction, unstructured play opportunities and spaces for boredom

On the other hand, these last few years have been filled with children of:

- Digitally Distracted Parents
- Forgiving and permissive parents who let children "rule the world" and be the ones who make the rules
- A sense of entitlement, of deserving everything without earning it or being responsible for getting it
- Poor sleep and unbalanced nutrition
- A sedentary lifestyle
- Endless stimulation, technological nannies, instant gratification and absence of dull moments

What to do?

If we want our children to be happy and healthy individuals, we need to wake up and get back to the basics. It's still possible! Many families see immediate improvement after weeks of implementing the following recommendations:

- Set limits and remember that you are the captain of the ship. Your kids will feel safer knowing you have the control of the helm.
- Offer children a balanced lifestyle full of what children NEED, not just what they WANT. Don't be afraid to say "no" to your kids if what they want isn't what they need.
- Provide nutritious food and limit junk food.

- Spend at least one hour a day outdoors doing activities such as: cycling, hiking, fishing, bird/insect watching
- Enjoy a daily family dinner without smartphones or technology distracting them.
- Play board games as a family or if the children are too young for board games, let them lead their interests and let them be the ones who rule the game
- Involve your children in some task or household chores according to their age (folding clothes, sorting toys, hanging clothes, unpacking groceries, setting the table, feeding the dog, etc.)
- Implement a consistent sleep routine to ensure your child gets enough sleep. The timetables will be even more important for school-age children.
- Teach responsibility and independence. Don't overprotect them against any frustration or any mistake. Making mistakes will help you develop resilience and learn to overcome life's challenges,
- Do not carry your children's backpack, do not take their backpacks, do not take them the homework they forgot, do not peel their bananas or oranges if they can do it by themselves (4-5 years). Instead of giving them the fish, teach them how to fish.
- Teach them to wait and delay gratification.
- Provide opportunities for "boredom", because boredom is the moment when creativity awakens. Doesn't feel responsible for always keeping the kids entertained.
- Do not use technology as a cure for boredom, nor offer it to the first second of inactivity.
- Avoid the use of technology during meals, in cars, restaurants, shopping centers. Use these moments as opportunities to socialize by training the brains to know how to function when they are in the mood: "boredom"
- Help them create a "jar of boredom" with activity ideas for when they are bored.
- Be emotionally available to connect with children and teach them self-regulation and social skills:
- Turn off phones at night when kids have to go to bed to avoid digital distraction.
- Become an emotional regulator or coach for your children. Teach them to acknowledge and manage their own frustrations and anger.
- Teach them to greet, to take turns, to share without anything, to say thank you and please, to acknowledge the mistake and apologize (don't force them), be a model of all those values you instill.
- Connect emotionally – smile, hug, kiss, tickle, read, dance, jump, play or crawl with them.

Article written by Dr. Luis Rojas Marcos, Psychiatrist.

2026 RPC Applications

Dear Parent of a Gr8 2026 Learner,

We would like to bring the following information to your attention:

- 1) Application forms are available for download from our website www.ridgepark.co.za starting March 10, 2025.
- 2) The application submission period is scheduled to commence on April 9, 2025.
- 3) Please note that submissions are to be hand-delivered only between 8:30 AM and 1:00 PM.
- 4) We strongly prefer typed forms over handwritten submissions.
- 5) The required documents for the application process are listed below.

Your cooperation in adhering to these guidelines is greatly appreciated.

Should you have any further queries, feel free to contact us on 031 2073337 or admissions@ridgepark.co.za

Vision Statement

To be an internationally recognized leading girls high school that empowers future leaders to make a significant contribution to society.
